## 1.7. Why Your Company Should Join the LEAP

---

The LEAP is the first private sector led organization that is focused on developing an efficient renewable energy market for achieving universal energy access in Liberia. To achieve this objective, LEAP works with GOL entities and other stakeholders to craft efficient market

policies; and aims to ensure that only renewable energy products that meet international quality standards for performance and safety are imported into Liberia; and train the workforce that is needed to sustain this green growth sector.

To apply for LEAP membership, please complete this Membership Form electronically and send the completed Form by email to [leapnetworklib@gmail.com](mailto:leapnetworklib@gmail.com) with the following attachment(s):

1. Copy of legal registration of the organization or entity that is applying for LEAP membership.

Upon approval of membership application, LEAP President will respond to the new member with a welcoming email together.

All questions relating to this application should be addressed to LEAP Secretariat:
